

CALM PRODUCT COLLECTION

Feel the soothing serenity of Calm. Clinically tested for safety and gentleness, and exclusively formulated for even the most sensitive skin, these lightweight, botanically based formulas gently moisturise to help calm, hydrate and soothe. Each product contains only the most essential ingredients and never uses such potentially irritating ingredients as soap, fragrance or dyes. The Calm Product Collection is hypoallergenic, dermatologist tested and nurtures skin to look and feel healthy, refreshed and comfortable. **#8705; £90**

For Best Results Use in 4 Steps: Step 1: Calm Gentle Daily Cleanser. Step 2: Calm Soothing Facial Serum. Step 3: Calm Gentle Daily Moisturizer. Step 4: Calm Soothing Eye Gel.

Talking Points

- Arbonne Independent Consultants can give clients and/or hostesses Calm samples to give to five friends, and offer extra for hosting another presentation.

CLINICAL RESULTS

After 2 days of using the 4 Step Collection*

- 88% agreed the collection calmed and soothed their skin.
- 88% agreed the collection hydrated their skin, helped prevent moisture loss and soothed red, dry skin by moisturising.
