

## Arbonne Baby Care (ABC) Arbonne Baby Care Herbal Nappy Cream

A light, water-repelling cream, to gently soothe dry, chapped skin that can occur with nappy use.

### RECOMMENDED FOR:

Babies at risk of developing nappy rash or those experiencing it.

### WHEN TO USE:

Daily, as often as necessary – with each nappy change – especially at bedtime or anytime when exposure to wet nappies may be prolonged.

### USAGE:

Change wet and soiled nappies promptly, cleanse the nappy area and allow to dry. For external use only.

BABY

## Arbonne Baby Care (ABC) Arbonne Baby Care Sunscreen SPF 30+

This sunscreen is formulated with antioxidant vitamins A, C and E and gentle botanicals. It is PABA-free, pediatrician and dermatologist tested and provides broad-spectrum protection against UVA and UVB rays.

### RECOMMENDED FOR:

Babies 6 months and older, children and adults with extremely sensitive skin.

### WHEN TO USE:

Daily or as needed.

### USAGE:

Apply sunscreen liberally and evenly to all exposed areas 30 minutes before sun exposure. Reapply frequently or after towel drying, swimming or perspiring. For external use only.
