

CLEAR CONTROL® CLARIFYING BLEMISH LOTION

This oil free lotion, containing 1% salicylic acid, helps clear acne blemishes while preventing new ones from forming. This product contains proprietary time release technology that helps clarify the complexion, giving skin a shine free, matte looking appearance. Most suitable for teens and young adults with acne-prone skin. #422; £14

- Dermatologist tested
- Vegan formula

KEY INGREDIENTS & BENEFITS

- Salicylic acid with keratolytic activity is proven to significantly reduce acne lesions.
- Liquorice root extract and wild pansy extract help calm and soothe acne-prone skin.

FREQUENTLY ASKED QUESTIONS

- Q.** Can I use the Clarifying Blemish Lotion as my daily moisturiser?
- A.** This product is formulated for the treatment of acne. We recommend using FC5® Oil-Absorbing Day Lotion with SPF 15 as a daily moisturiser.
- Q.** Where on the body is the Clarifying Blemish Lotion safe to use?
- A.** This product is safe to use on the face, shoulders, and back and chest areas.

HOW TO USE

- This is Step 3 of the 3 Step System. After cleansing and toning with Clear Control Clarifying Blemish Wash and Clarifying Blemish Toner, apply the Clarifying Blemish Lotion using fingertips. Cover the affected area with a thin layer in the morning and evening or as needed.
