

RE9 ADVANCED® REACTIVATING BODY SERUM

Arbonne Anti-Ageing

A botanically based body serum for pre-moisturising. This light body gel absorbs quickly to help replenish skin's moisture barrier. **#708; £30 SRP**

Talking Points

- Helps boost surface cell turnover to restore smoothness, radiance and clarity.
- Serums are concentrated formulas that deliver multiple benefits, such as keeping skin hydrated.
- Independent Consultant secret: Mix with the Firming Body Cream to get extra silky soft skin.
- Skin is firmer, smoother and more lifted looking — with continued use, results improve.
- Smooth skin from head to toe while on the go with the RE9 Advanced Travel Set. With every £150 SRP purchase, purchase all 11 face and body products in a convenient travel bag for £37.
- Keep the momentum going by keeping stocked with RE9 Advanced! Sign up for Arbonne Special Delivery™ to receive products every 30, 60 or 90 days.

CLINICAL RESULTS

When used with Hydrating Body Lotion:

After one use*

- 100% agreed their skin felt smoother and softer

*Based on a clinical study of 50 women
