

# RE9 ADVANCED® SMOOTHING FACIAL CLEANSER

## Arbonne Anti-Ageing

A crème cleanser made from botanical and natural ingredients that provides effective smoothing and renewing of the skin surface for soft, supple skin. This gentle hydrating cleanser prepares skin for your skincare regime. A light citrus scent helps make your skin feel refreshed and clean while its silky texture whisks away everyday impurities and makeup without stripping the skin of essential moisture. One of our top sellers! **#811; £32 SRP**

### Talking Points

- Did you know? Skin decreases in thickness by 6% every 10 years, loses its ability to hold moisture, and becomes drier.
- RE9 Advanced synergises 9 major age-defying elements and botanicals in a powerful system of products.
- RE9 Advanced addresses skin health through moisturisation by pairing topical products with an age-defying supplement that accelerates results twice as fast: Collagen Support Dietary Supplement #817, £38.
- Smoothing Facial Cleanser is a top seller. Sign up for Arbonne Special Delivery™ to receive it every 30, 60 or 90 days to keep up with demand.

### FREQUENTLY ASKED QUESTIONS

- Q.** Which ingredients make the Smoothing Facial Cleanser foam?
- A.** Mild surfactants, or ingredients that when dissolved in water, give a product the ability to remove dirt.
- Q.** What makes the cleanser have a pearlescent appearance?
- A.** The pearlescent look is from the emollient skin conditioning ingredients in the formula.

### HOW TO USE

- This is Step 1 of the 5 Step System: Use in the morning and in the evening. Moisten skin and apply a small amount to face and neck. Gently massage in circular motions. Rinse with warm water. Continue to Step 2: Regenerating Toner.
