FREQUENTLY ASKED QUESTIONS

- Q.** How necessary is a toner?
- A.** It helps balance skin, removing excess oils and dead skin cells that may lurk on the face after washing. It prepares for other skin applications more effectively and rapidly.
- Q.** Can the toner remove makeup?
- A.** The product is not intended to remove makeup.
- Q.** Does the Regenerating Toner minimise the appearance of pores?
- A.** The product was not intended to minimise the appearance of pores.

HOW TO USE

- This is Step 2 of the 5 step System. Use in the morning and in the evening after cleanser. Apply a small amount to the face and neck by misting or using a cotton ball. Do not rinse after application. Continue to Step 3: Intensive Renewal Serum.

RE9 ADVANCED[®] REGENERATING TONER

KEY INGREDIENTS & BENEFITS

- Algae extract supports collagen through moisturisation to help diminish the appearance of fine lines and wrinkles.
- Sea buckthorn oil, an antioxidant with beta carotene, supports supple tone and smooth looking skin.
