

ARBONNE INTELLIGENCE® CC CREAM

Complexion Control 10 in 1 Beauty Benefits

Outsmart your skin with the best of beauty and skincare in one revolutionary product. Our multitasking 10 in 1 Complexion Control Cream contains Phytinol™, the Arbonne proprietary complex that knows exactly what your skin needs. This formula's nurturing botanicals soothe and hydrate to protect skin's moisture barrier, creating a healthier, dewy looking complexion. And lightweight coverage builds to conceal blemishes and dark spots, and minimises the appearance of pores. Whether you have a late night or long day, CC Cream will keep your skin looking beautiful. Beauty and smarts — our CC Cream has it covered. **UK £30 SRP**

Hot Tips

- Choose from 4 shades — use one or mix two to create over 16 different options to match any skin tone.
- Provides buildable, customised coverage.
- Use as a primer for any of your favourite Arbonne foundations.
- Makes a great travel companion. This “smart” CC Cream multitasks for your skin so you don't have to!
- Add Arbonne Intelligence Genius Resurfacing Pads to your beauty regime for an even more beautiful complexion.
- Sign up for Arbonne Special Delivery™ to receive this beauty essential every 30, 60 or 90 days so you never run out!
